## **Expense Breakdown**

## **Investment Advice**

- ■ Allocate at least 20% of your income towards diversified mutual funds or ETFs.
- ■ Consider investing in index funds and explore real estate or REITs if possible.
- ■ Secure comprehensive health insurance for the entire family.
- ■ Prioritize term life insurance if you have dependents.
- ■ Consider NPS or long-term mutual funds for wealth building.

- ■ Always review and adjust your budget quarterly.
- ■ Track your spending using financial apps or spreadsheets.
